

ABC Technologies - Comprehensive Pricing and Subscription Guide

Document Version: 3.2 | Last Updated: January 2026

Welcome to the ABC Technologies pricing guide. We offer scalable, cloud-based business management software designed to grow with your company. We offer flexible subscription plans tailored to businesses of all sizes. All plans are available on a monthly or annual billing cycle. Choosing the annual billing cycle provides a 20% discount.

1. Basic Plan (For Solo Entrepreneurs and Small Teams)

- Monthly Price: \$15 per user/month.
- Annual Price: \$144 per user/year (Equivalent to \$12/month).
- Features Included:
 - * Core business management dashboard.
 - * Capacity for up to 100 customer records.
 - * Standard email support (Response time: 48 hours).
 - * Basic export capabilities (CSV only).
- Limitations: No API access, no custom branding.

2. Professional Plan (Most Popular - For Growing Businesses)

- Monthly Price: \$40 per user/month.
- Annual Price: \$384 per user/year.
- Features Included:
 - * Everything in the Basic Plan.
 - * Unlimited customer records and database storage.
 - * Advanced reporting dashboards and data visualization tools.
 - * Priority 24/7 ticket and live chat support.
 - * Third-party integrations (Slack, Google Workspace, Microsoft 365).
 - * Role-based access control (RBAC).

3. Enterprise Plan (For Large Organizations)

- Price: Custom pricing based on specific requirements and scale. Please contact sales for a tailored quote.
- Features Included:
 - * Everything in the Professional Plan.
 - * Dedicated Technical Account Manager (TAM).
 - * Custom API integrations and webhook web-hooks.
 - * On-premise or dedicated private cloud deployment options.
 - * Single Sign-On (SSO) and advanced compliance auditing.

Optional Add-Ons:

- Extra Storage: \$5/month per additional 50GB.
- Automated Backup Vault: \$10/month per organization.
- Premium Onboarding Training: One-time fee of \$499 for 3 sessions.
